June 28: Filled to Overflow

God fills & sustains us so we can pour into others. Come enjoy a classic summer cookout, water slide, corn hole for the adults & a message on Living Water. Together, we'll assemble shower kits as our service project.

THANK YOU!

As part of our June Summer Series, Filled to Overflow, we set out to collect items to assemble homeless shower kits for The Dwelling, a faith-based community that serves individuals experiencing homelessness through hospitality, worship, resources, and support. Many of our youth served at The Dwelling during last summer's mission trip and will return again this summer. They witnessed firsthand how simple acts of kindness and compassion can make a meaningful difference in someone's life.

Because of your incredible generosity, every item needed for our shower kits has been purchased! We are truly overwhelmed and grateful for the outpouring of support. Together, we will be able to provide 300 shower kits filled with essential items and share God's love in a tangible way with our neighbors in need.

Thank you for helping us be **filled to overflow** and for making this outreach project possible!

Contribution Counters Needed!

Cross & Crown is looking for a few volunteers to join our team of contribution counters! Counters work in teams of two to count the Sunday offerings after the final worship service and prepare the deposit for the bank.

Each team serves for two consecutive Sundays and then rotates off the schedule, typically enjoying 8-10 weeks before serving again.

New volunteers are always paired with an experienced counter, and Cross & Crown provides training along with clear procedures to guide the process.

If you would like to learn more or are interested in serving in this important ministry, please contact our Treasurer, Garry Rudolph, or John Hejka, Chairperson of the Finance Committee.

We'd love to have you on the team!

THRIVENT MEMBERS! HELP WITH SUPPLIES FOR A FUTURE SUMMER SERIES!

Later this summer, we'll be making water filters and solar lights as part of an exciting intergenerational project that will benefit communities in need around the world—and we need your help!

If you're a Thrivent client or Associate Member, you can provide supplies at no cost by requesting a free Thrivent Cause Kit (Water Filter Build or Solar Light Build). Each eligible member can order one kit per year, and every kit helps make a meaningful difference.

It's a simple way to support this hands-on service project and help bring clean water and light to families who need it most!

- **WATER FILTER BUILD – BUILD 3 FILTERS TO GIVE CLEAN WATER TO 12 PEOPLE EACH, FOR 10 YEARS!**
- **SOLAR LIGHT BUILD – BUILD 3 SOLAR LIGHTS, GIVING KIDS 7,300 EXTRA STUDY HOURS OVER 3 YEARS!**
